

WALLACE STATE COMMUNITY COLLEGE  
HANCEVILLE, ALABAMA

**BUS 194 Course Syllabus**  
Cooperative Education 1 hour credit

A work experience in which students are gainfully employed in a career related position each week during the semester. Your first step is to contact the Cooperative Education office (256-352-8178 or 8133) to schedule an orientation meeting to discuss the requirements for Cooperative Education and get answers to any questions you may have.

**INFORMATION**

You will be required to complete and submit, on or before their due dates, all Cooperative Education work reports. Each report pertains to job performance, directly related to established, measurable learning objectives, set at the beginning of each semester and created to provide students with experience of the knowledge gained in the classroom. **“Students must take the WorkKeys assessment prior to graduation. It is recommended that this assessment be taken shortly after completing Math and English classes. This is a graduation requirement.”**

**REQUIRED CO-OP EXPERIENCE ASSIGNMENTS**

1. Completed Data Information Form.
2. Completed Employer’s Statement of Cooperation
3. Completed Report on Learning Objectives.
4. Completed Work Experience Questionnaire.
5. Documented and verified time worked, using the Time & Wage Sheet.
6. Completed supervisor’s evaluation of your work performance, using Cooperative Education’s Evaluation Form.
7. Students are responsible for turning in each report on or before the due date. The Cooperative Education reports determine your overall grade.
8. Methods of Evaluation:
  1. A student can earn 100 points by completing all required assignments on the scheduled dates, and have above average grades on the dependability area listed on the evaluation.
  2. Five points will be deducted on each assignment which is late unless prior approval of the Director of Cooperative Education.
  3. Ten points will be deducted from the grade for a work evaluation, which indicates an average mark on the dependability category
  4. Twenty points will be deducted from the grade for a work evaluation, which indicates below average mark on the dependability category.

If you have any questions or need assistance, please contact the Cooperative Education Office.

Wallace State Community College follows equal opportunities admissions policies and employment practices. The college facilities are accessible to persons with disabilities.
